

# Get Started with OPOLIS

Struggling with the demands of solopreneurship or independent work?

**Opolis offers tailored payroll solutions, health benefits, and tax management to fuel your success.** Here's how to start:

## STEP 1

### Qualify For Membership

**Verify information** about your business income, industry, and work status to ensure Membership is right for you.

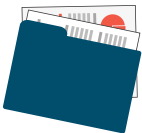

Check if you qualify for Opolis on our website: [opolis.co](https://opolis.co)

## STEP 2

### Form Your Business Entity

Opolis helps set up your **LLC** with an **S-Corporation** or **C-Corporation** election for maximum tax savings. Already have an S-Corp or C-Corp? You're set!

## STEP 3

### Set Up Payroll

Opolis provides **employer-of-record** services for personalized payroll and tax compliance. Receive an annual W2 and semi-monthly pay stubs as an independent worker!

## STEP 4

### Choose Benefits

Tired of overpaying for insurance? Our **group purchasing power gives you access to premium healthcare** including Cigna's largest national network, along with other benefits such as dental, vision, life insurance, 401(k), and more.

## STEP 5

### Get Rewarded

As a **Co-Op Member**, earn your share of our profits. Refer friends for even more rewards! Fueling a revolution for independent workers, Opolis empowers you to work from anywhere, with anyone, and as much as you want— all while ensuring you're covered.
